

Offered by Life Insurance Company of North America, a Cigna company

Employee-Paid CRITICAL ILLNESS INSURANCE

SUMMARY OF BENEFITS

Prepared for: University of Louisiana System

Critical Illness insurance provides a cash benefit when a Covered Person is diagnosed with a covered critical illness or event after coverage is in effect. See State Variations (marked by *) below.

Who Can Elect Coverage:

You: All active, full-time Employees of the Employer who are regularly working in the United States a minimum of 30 hours per week and regularly residing in the United States and who are United States citizens or permanent resident aliens and their Spouse and Dependent Children who are United States citizens or permanent resident aliens and who are residing in the United States.

You will be eligible for coverage as per your employer's eligibility waiting period.

Your Spouse:* Up to age 100, as long as you apply for and are approved for coverage yourself.

Your Child(ren): Birth to 26; 26+ if disabled, as long as you apply for and are approved for coverage yourself.

Available Coverage:

The benefit amounts shown will be paid regardless of the actual expenses incurred. The benefit descriptions are a summary only. There are terms, conditions, state variations, exclusions and limitations applicable to these benefits. Please read all of the information in this Summary and your Certificate of Insurance for more information. All Covered Critical Illness Conditions must be due to disease or sickness.

	Benefit Amount	Guaranteed Issue Amount
Employee	\$10,000, \$20,000, \$30,000	Up to \$30,000
Spouse	100% of employee amount	Up to \$30,000
Children	50% of employee amount, including Childhood Conditions	All guaranteed issue

See "Guaranteed Issue" section below for more information.

Covered Conditions	Benefit Amount
Cancer Conditions	
Skin Cancer*	\$250 1x per lifetime

Covered Conditions	Initial Benefit Amount %	Recurrence % of Initial Benefit Amount
Invasive Cancer	100%	100%
Carcinoma in Situ	25%	25%
Vascular Conditions		
Heart Attack	100%	100%
Stroke	100%	100%
Coronary Artery Disease	25%	25%
Aortic & Cerebral Aneurysm	25%	25%
Advanced Heart Failure	25%	Not Available
Nervous System Conditions		
Advanced Stage Alzheimer's Disease	25%	Not Available

Health Screening Test Benefit	Benefit Amount
Examples includes (but are not limited to) mammography, and certain blood tests. The benefit amount shown will be paid regardless of the actual expenses incurred and is paid on a per day basis.	\$50 (1 per year)

For Childhood Conditions please refer to the beginning of the Available Coverage section above for details on how much coverage is available for covered children.

Benefits	
Initial Critical Illness Benefit	Benefit for a diagnosis made after the effective date of coverage for each Covered Condition shown above. The amount payable per Covered Condition is the Initial Benefit Amount multiplied by the applicable percentage shown. Each Covered Condition will be payable one time per Covered Person, subject to the Maximum Lifetime Limit. A 180 days separation period between the dates of diagnosis is required.*
Recurrence Benefit	Benefit for the diagnosis of a subsequent and same Covered Condition for which an Initial Critical Illness Benefit has been paid, payable after a 12 month separation period from diagnosis of a previous Covered Condition, subject to the Maximum Lifetime Limit.
Skin Cancer Benefit	Pays benefit stated above.
Maximum Lifetime Limit	The maximum benefit payable per Covered Person is the lesser of 5 times the elected Benefit Amount or \$150,000. The following benefits are not subject to this limit: Skin Cancer and Additional Benefits.

Additional Benefits

Hospital Indemnity*

Pays when a newborn child of the Employee is confined to a hospital in the Neonatal Intensive Care Unit, payable even if the coverage for child is not elected.

50% of the issued Employee Benefit Amount
Limited to 1 benefit per newborn child

No other benefits are available for any other Covered Person.

Portability Feature: You can continue 100% of coverage for all Covered Persons at the time Your coverage ends. You must be covered under the policy and be under the age of 100 in order to continue your coverage. Rates may change and all coverage ends at age 100. Applies to United States Citizens and Permanent Resident Aliens residing in the United States.

Costs are subject to change. Actual per pay period premiums may differ slightly due to rounding, please refer to your employer's benefit administration platform.

The policy's rate structure is based on attained age, which means the premium can increase due to the increase in your age.

Important Policy Provisions and Definitions:

Covered Person: An eligible person who is enrolled for coverage under the Policy.

Covered Loss: A loss that is specified in the Policy in the Schedule of Benefits section and suffered by the Covered Person within the applicable time period described in the Policy.

When your coverage begins: Coverage begins on the later of the program's effective date, the date you become eligible, the first of the month following the date your completed enrollment form is received, or if evidence of insurability is required, the first of the month after we have approved you (or your dependent) for coverage in writing, unless otherwise agreed upon by Cigna. Your coverage will not begin unless you are actively at work on the effective date. Coverage for all other Covered Persons will not begin on the effective date if the covered person is confined to a hospital, facility or at home, disabled or receiving disability benefits or unable to perform activities of daily living.

When your coverage ends: Coverage ends on the earliest of the date you and your dependents are no longer eligible, the date the group policy is no longer in force, or the date for the last period for which required premiums are paid. For your dependent, coverage also ends when your coverage ends, when their premiums are not paid or when they are no longer eligible. (Under certain circumstances, your coverage may be continued. Be sure to read the provisions in your Certificate about when coverage may continue.)

30 Day Right To Examine Certificate: If a Covered Person is not satisfied with the Certificate of Insurance for any reason, it may be returned to us within 30 days after receipt. We will return any premium that has been paid and the Certificate will be void as if it had never been issued.

Benefit Reductions, Common Exclusions and Limitations:

Exclusions: In addition to any benefit-specific exclusions, benefits will not be paid for any Covered Loss that is caused directly or indirectly, in whole or in part by any of the following: • intentionally self-inflicted injury, suicide or any attempt thereat while sane or insane; • commission or attempt to commit a felony or an assault; • declared or undeclared war or act of war; • a Covered Loss that results from active duty service in the military, naval or air force of any country or international organization (upon our receipt of proof of service, we will refund any premium paid for this time; Reserve or National Guard active duty training is not excluded unless it extends beyond 31 days); • voluntary ingestion of any narcotic, drug, poison, gas or fumes, unless prescribed or taken under the direction of a Physician and taken in accordance with the prescribed dosage; • operating any type of vehicle while under the influence of alcohol or any drug, narcotic or other intoxicant ("Under the influence of alcohol", for purposes of this exclusion, means intoxicated, as defined by the law of the state in which the Covered Loss occurred) • a diagnosis not in accordance with generally accepted medical principles prevailing in the United States at the time of the diagnosis.

Specific Definitions, Benefit Exclusions and Limitations:

The date of diagnosis must occur while coverage is in force and the condition definition must be satisfied.

Only one Initial Benefit will be paid for each Covered Condition per person and benefits will be subject to separation periods and Maximum Lifetime Limits.

Skin Cancer, basal cell/squamous cell carcinoma or certain forms of melanoma.

Invasive Cancer, uncontrolled/abnormal growth or spread of invasive malignant cells. Excludes pre-malignant conditions or conditions with malignant potential, carcinoma in situ, basal cell carcinoma, squamous cell carcinoma of the skin, unless metastatic disease develops, melanoma that is diagnosed as Clark's Level I or II or Breslow less than 0.75mm, or melanoma in situ, or prostate tumor that is classified as T-1a, b, or c, N-0, and M-0 on a TNM classification scale. Also excludes the recurrence or metastasis of an original Cancer that was diagnosed prior to the coverage effective date if the Insured has undergone treatment for such cancer within 12 months of being diagnosed with cancer while under this coverage.

Carcinoma in Situ, non-invasive malignant tumor. Excludes premalignant conditions or conditions with malignant potential, skin cancers, invasive cancer (basal/squamous cell carcinoma or melanoma/melanoma in situ).

Heart Attack, includes the following that confirms permanent loss of heart muscle function: 1) EKG; 2) elevation of cardia enzyme.

Stroke, cerebrovascular event—for instance, cerebral hemorrhage—confirmed by neuroimaging studies and neurological deficits lasting 96 hours or more. Excludes transient ischemic attack (TIAs), brain injury related to trauma or infection, brain injury associated with hypoxia or anoxia, vascular disease affecting eye or optic nerve or ischemic disorders of the vestibular system.

Coronary Artery Disease, heart disease/angina resulting in a blockage that restricts blood flow to the heart.

Aortic and Cerebral Aneurysm, expansion of blood vessel(s), which if not treated, can rupture. Excludes surgical repair of complications resulting from prior repair for an aneurysm.

Advanced Heart Failure, inadequate blood flow to meet the body's demands resulting in the inability to carry on any physical activity without intervention. Excludes heart attack, coronary artery disease, pulmonary embolism, and arrhythmias.

Advanced Stage Alzheimer's Disease, progressive degenerative disorder that attacks the brain's nerve cells resulting in cognitive deficits interfering with independence in completion of instrumental activities of daily living and the inability to perform at least 2 physical activities of daily living.

Amyotrophic Lateral Sclerosis (ALS aka Lou Gehrig's Disease), motor neuron disease resulting in muscular weakness and atrophy.

Parkinson's Disease, progressive, degenerative neurologic disease with indicated signs of the disease.

Multiple Sclerosis, disease involving damage to brain and spinal cord cells with signs of motor or sensory deficits confirmed by MRI. Includes Neuromyelitis Optica and Transverse Myelitis.

Mild Stage Alzheimer's Disease, progressive degenerative disorder that attacks the brain's nerve cells resulting in cognitive deficits that interfere with independence in everyday activities that require assistance with at least 2 instrumental activities of daily living.

Huntington's Disease, progressive disorder causing breakdown of the nerve cells in the brain leading 1) Chorea; or 2) two of the following: involuntary/impaired movement, cognitive or psychiatric disorders.

Myasthenia Gravis, autoimmune, neuromuscular disease causing loss of muscle control.

Bacterial Meningitis, bacterial infection in the brain and spinal cord. Excludes viral (aseptic) meningitis.

Malaria, parasitic (mosquito-borne) disease resulting in infection. Excludes infection by the P. malaria, P. vivax, P. ovale.

Tuberculosis, airborne infectious disease with indicated signs of the disease. Excludes latent or inactive Tuberculosis.

Necrotizing Fasciitis, (aka flesh-eating disease), bacterial infection in skin layers and tissue.

Osteomyelitis, chronic bacterial infection that deteriorates bone/bone marrow.

Severe Sepsis, Infection that spreads into the blood which results in organ dysfunction and low blood pressure. Excludes relapse of the underlying bacterial infection causing the Severe Sepsis. Must be treatment free for Invasive Cancer and Carcinoma in Situ and have an inpatient admission.

Cerebral Palsy, brain injury or abnormality occurring within 24 hours of birth resulting in developmental brain disorder.

Cystic Fibrosis, progressive disorder that affects exocrine glands.

Muscular Dystrophy, progressive disorder that interferes with formation of healthy muscles.

Poliomyelitis, acute, infectious disease caused by the poliovirus with indicated signs of the disease. Excludes non-paralytic polio or post-polio syndrome.

Sickle Cell Anemia, Blood disorder which produces distorted (sickled) red blood cells. Excludes the sickle cell trait.

Heart Wall Malformation, A congenital malformation of the heart for which a physician has prescribed surgery or catheter based treatment within 1 year of birth.

Benign Brain Tumor, non-cancerous abnormal cells in the brain.

Blindness, irreversible sight reduction in both eyes; Best corrected single eye visual acuity less than 20/200 (E-Chart) or 6/60 (Metric) or with visual field reduction (both eyes) to 20 degrees or less. May require loss be due to specific illness.

Coma, unconscious state lasting at least 96 continuous hours. Excludes any state of unconsciousness intentionally or medically induced from unconsciousness intentionally which the Covered Person is able to be aroused.

End-Stage Renal (Kidney) Disease, chronic, irreversible function of both kidneys. Requires hemo or peritoneal dialysis.

Major Organ Failure, includes: liver, lung, pancreas, kidney, heart or bone marrow. Happens when transplant is prescribed or recommended and placed on UNOS registry. If the Covered Person has a combination transplant (i.e. heart and lung), a single benefit amount will be payable. Recurrence Benefit not payable for same organ for which a benefit was previously paid.

Paralysis, complete, permanent loss of use of two or more limbs due to a disease. Excludes loss due to Stroke and Multiple Sclerosis.

Advanced Obesity, condition whereas excess body fat results in a physician prescribing bariatric surgery consistent with evidence based medical standards.

Crohn's Disease, chronic inflammatory disease of the digestive tract. Excludes irritable bowel syndrome or ulcerative colitis.

Pulmonary Embolism, obstruction of the arteries that carries blood to the lungs. Excludes blood clot confined to the lower extremities or pelvis.

Loss of Hearing, permanent hearing loss in both ears; loss greater than 90dB HL. May require loss be due to specific illness.

Loss of Speech, permanent loss of speech which is irrecoverable by other means excludes loss due to specified conditions (i.e. Alzheimer's).

Systemic Lupus, chronic, inflammatory, auto-immune disease with indicated signs of the disease.

Systemic Sclerosis, chronic, degenerative, auto-immune disease with indicated signs of the disease.

***Benefits-Specific Conditions, Exclusions and Limitations (Additional Benefits):

- **Hospital Indemnity:** The Common Exclusions apply to this Additional Benefit. In addition, the following applies: **Newborn Neonatal Intensive Care (NICU) Stay:** Must be admitted as an inpatient and confined in an NICU of a Hospital at the direction and under the care of a physician. Cannot be discharged from Hospital prior to be admitted to NICU.

Guaranteed Issue:

If you are a new hire you are not required to provide proof of good health if you enroll during your employer's eligibility waiting period and you choose an amount of coverage up to and including the Guaranteed Issue Amount. If you apply for an amount of coverage greater than the Guaranteed Issue Amount, coverage in excess of the Guaranteed Issue Amount will not be issued until the insurance company approves acceptable proof of good health. Guaranteed Issue coverage may be available at other specified periods of time. Your employer will notify you when these periods of time are available. Your Spouse must be age 18 or older to apply if evidence of insurability is required.

*State Variations

For purposes of this brochure, wherever the term Spouse appears, it shall also include Domestic Partner registered under any state which legally recognizes Domestic Partnerships or Civil Unions. Additional information is available from your Benefit Services Representative. Spouse definition includes civil union partners in New Hampshire and Vermont. Not all shown covered conditions may be available and the **Specific Definitions, Benefit Exclusions and Limitations** for some of the conditions may vary for residents of ID, MD, NH, OR, WA. **Newborn Neonatal Intensive Care (NICU) Stay:** may not be available for residents of ID, MD, ND, NH, OR, WA. **Portability** in VT is referred to as Continuation due to loss of eligibility. VT residents are not subject to the age limit to continue coverage. **Exclusions** may vary for residents of ID, MN, NC, SC, SD, VT and WA.

THIS POLICY PAYS LIMITED BENEFITS ONLY. IT DOES NOT CONSTITUTE COMPREHENSIVE HEALTH INSURANCE COVERAGE AND IS NOT INTENDED TO COVER ALL MEDICAL EXPENSES. THIS COVERAGE DOES NOT SATISFY THE "MINIMUM ESSENTIAL COVERAGE" OR INDIVIDUAL MANDATE REQUIREMENTS OF THE AFFORDABLE CARE ACT (ACA). THIS COVERAGE IS NOT A MEDICAID OR MEDICARE SUPPLEMENT POLICY.

Series 2.2

Terms and conditions of coverage for Critical Illness Insurance are set forth in Group Policy No. CI 961482. This is not intended as a complete description of the insurance coverage offered. This is not a contract. Please see your Plan Sponsor to obtain a copy of the Policy. If there are any differences between this summary and the Group Policy, the information in the Group Policy takes precedence. Product availability, costs, benefits, riders, covered conditions and/or features may vary by state. Please keep this material as a reference. Insurance coverage is issued on group policy form number: Policy Form GCI-02-1000. Coverage is underwritten by Life Insurance Company of North America, 1601 Chestnut St. Philadelphia, PA 19192.
